Verse 1

Bm F#/A# A E/G#
 Do you remember the day we first met?

 Now, we dream together and great things expect
 Em F#
 How far we have come, my friend

Verse 2

Lay down your striving and lay down your pain
 I call you friend, you're no longer a slave
 My heart is a home and I give you the keys
 Abide in my love and you'll see

Chorus

Bm A/C# D
 Oh! There is no greater love, no greater love
 Em F#
 Than to lay down one's life for His friends
 Bm A/C# D
 There is no greater love, no greater love
 Em F#
 Know that I am with you to the end
 Bm A/C# F#/A D G F#
 My friend!
 Bm A/C# F#/A D G F#
 My friend!

Verse 3

And even if you should ever betray me
 This bridge I am always willing to mend
 Don't hide your eyes, 'cause I want you to know me
 My love I will always extend

 I—I call you friend

 I've opened my heart to you
 Bm
 And let you in

 You can wound me and bruise me too

 There is no wall

 No price too great

 This is my body broken for you!

 Broken for you!

 Broken for you, broken for you, broken for you!
